NOTICE OF UNDERSTANDING AND INTENT

Whereas I understand that United States is a nation upon the principles that recognize the supremacy of God and the rule of law, and, Whereas I understand the only form of government recognized as lawful in United States is a representative one, and, Whereas I understand a representative relationship relies upon a foundation of mutual consent, and, Whereas I understand the appearance of consent can be achieved through silence and inaction, and, Whereas I understand no one can be my representative without my consent, and, Whereas I understand it appears that the governments of this nation rely upon deception to gain the right to govern, and, Whereas I understand that public servants must 'provide service to the public within the legislated framework within which service is provided', and, Whereas I understand that if they are unable to define the legislated framework they are also unable to claim to act with respect to it, and, Whereas I understand a "statute" is defined as 'a legislated rule of society which has the force of law', and, Whereas I understand a 'society' is defined as 'a number of people joined by mutual consent to deliberate, determine, and act for a common goal', and Whereas I understand statutes do not have the force of law over those who have not consented to be governed, and, Whereas I understand that principle has a duty to ensure that the people acting their agents understand the source, nature and limits of their mandates, and, Whereas I am desirous of living my life with love, compassion and truth, and, Whereas due to deception found in so many statutes I can no longer believe that any government agent or principal act with the truth, and, Whereas the only people who can possibly expect me to follow them must have more love, compassion and truth than I do, and, Whereas the government wishes to sell that which was entrusted to, Whereas I could not find the word 'love' in any statute, by law or regulation, and, Whereas I cannot in good conscience support an organization that uses deception to cause people to register their offspring, property and chattel, and, Whereas I am desirous of not being governed by those not guided by love, compassion and truth, and, Whereas I understand I give up certain benefits and legal rights by existing outside of society, and, Whereas I understand I recapture Common Law rights by existing outside of society.

BE IT KNOWN TO ANY AND ALL, THAT ON THIS DAY 3-7-19, I Robert Woodson A FREE HUMAN BEING, DO HEREBY STATE MY "INTENT TO DENY CONSENT TO BE GOVERNED BY ANY AND ALL PARTIES.

All concerned parties have three (3) days to dispute, disprove or deny any of the facts mention herein. Failure to do so indicates "Full agreement & acceptance".

No statutes will apply to me, for they are the product of a governing body, one which I do not consent to.

2

I will not pay taxes, for the collection of taxes is a function of government and with my denial of consent I will free myself completely from all governing bodies, agencies, corporations, and institutions.

A Notarized copy of a 'Constructive Notice of Denial Consent will follow this document within seven (7) days.

Sincerely and without frivolity, vexation, malice aforethought or ill will.

CONSTRUCTIVE NOTICE OF GOD STATUS

Whereas United States is a nation founded upon the belief in the principles of the supremacy of God and the rule of law, and, Whereas the above sentence defines a hierarchy, with God at the top, and, Whereas the number two position in that hierarchy is not claimed by anyone, and, Whereas the governments of this nation seem to rely on deception to gain the power to govern, and, Whereas the only powers able to claim any authority over a 'Child of God' is God, and, Whereas neither the government, nor it's agents nor it's representatives or employees are God, or above God, and Whereas by legally claiming the number two position in the above mentioned hierarchy, I occupy a position above all governments and their agents and employees, and representatives,

BE IT KNOWN TO ANY AND ALL, THAT ON THIS DATE, 3-7-2019, Robert Wooten A FREE HUMAN BEING, DO HEREBY LAWFULLY CLAIM THE STATUS OF A 'CHILD OF GOD'.

Any human being who wishes to claim any authority over me must first prove they exist above God; they are God; they are between me and God; or they have a document upon the face of which can be found the verifiable signature of God. Failure to first do one of the above mentioned things means all claims to authority is abandoned or is unlawful. Attempting to exercise any authority over me without first fulfilling one of the four above mentioned requirements is an unlawful act of fraud and/or extortion.

Sincerely, have a good life, without interfering with mine.
